

Dr. Neela Emanuel

Associate Professor

nemanuel99@hotmail.com

+91-130- 2219749 x 1116

Degree

Ph. D. - M.S. University

Research

Method development for the analysis of food samples
Column development both HPLC & GC for the analysis of Food samples
Food Quality & Safety

RECENT PUBLICATIONS IN LAST FIVE YEARS

1. Neela Emanuel, Gireesh Kumar, "Photo detoxification of solubilized vat dye effluent using different pH ranges", *Environ Chem Lett* **7**, 375 (2009).
2. Neela Emanuel, Gireesh Kumar, "Effect of Treated Oil Well Effluent on Soil Exchange Capacity", *Proceedings of 2009 International Conference of Chemical, Biological & Environmental Engineering CBEE2009*, 494, 2009.

OTHER SIGNIFICANT PUBLICATIONS

TEN (11)

ACHIEVEMENT & AWARD

C. S. Patel Gold Medal Award, Top student award for MSc, M. S. University of Baroda

OTHER EVIDENCE OF IMPACT & CONTRIBUTIONS

Journal Referee: Journal of Chromatography (Symposium volume)
Reviewed Chapters 20 – 23 "Exploring Chemical Analysis" by Harris (W. H. Freeman & Co.)
Consulting: Acted as the Scientific Consultant, Chromatographic instrument Company
