

Placement 2016

NIFTEM has successfully positioned itself at a new high through its final placement process for the academic year 2015-2016. As a top 50th ranked institute of India by just completing its 3 years of journey, it has witnessed participation of previous recruiters and new recruiters in the campus for its innovative & diversified course curriculum. The first batch of B. Tech has witnessed international placement.

The first batch of 108 B.Tech students of 2012-16 and 85 M. Tech of 2014-16, successfully availed opportunities across various profiles and functions to nurture food or allied sectors in India and abroad.

Our corporate visitors have not only offered scholarships but also shown strong will, in having professionally trained students from NIFTEM. Their presence in the campus selection was evident in their positive feedback. A total of 66 companies participated in the final placement process and perhaps all eligible students got full assistance to achieve 100% placement.

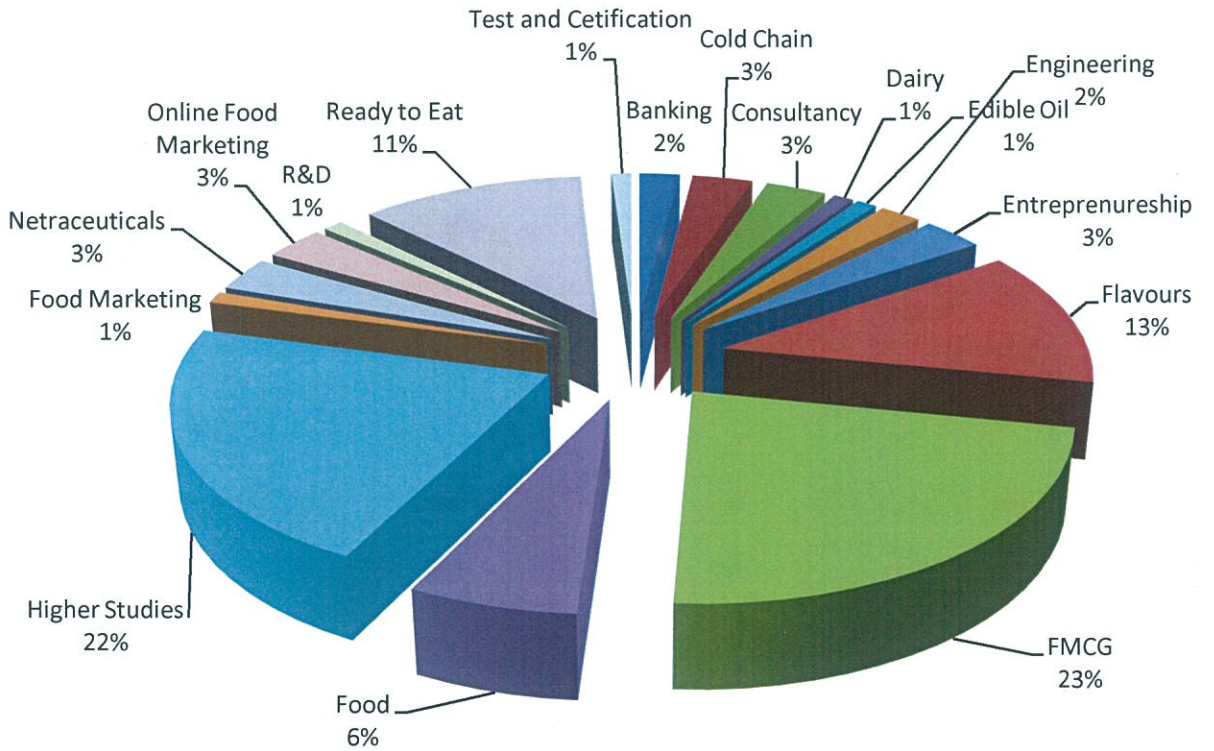

Unique feature for year 2016 are:

1. Flavour and fragrances witnessed record International placement.
2. PPOs based on internship are showing increasing trend.
3. A larger number of students opted Higher Studies in India & abroad.
4. B. Tech highest in package (fresher category) & M. Tech topped in package for (experienced category).
5. Three Companies visited twice to meet their requirements.
6. A number of Start Ups have shown Interest.
