F. No. N/S/K/399/12

Dated 20.11.2012

Order

Subject:-Setting up of IPR (Intellectual Property Rights) Cell.

With the approval of the competent authority, and the decision of the Planning and Monitoring Board meeting held on 19.09.2012, an Intellectual Property Rights Cell (IPR cell) is set up in the NIFTEM. The following two members are nominated as members of the I.P.R. cell.

- 1) Dr. Anupama Panghal, Asst. Professor.
- 2) Dr. Pramod Rai, Asstt. Professor.

The objectives of this Cell are as under:-

- 1) To hunt for externally funded research projects from Govt. and other agencies, NIFTEM may have Intellectual Property Rights and patent certification(s) of its own or in joint collaboration with the funding industrial/Govt. departments covering all legal aspects.
- 2) To work as an Apex Cell which would facilitate the certification for various research projects being/will be undertaken by the Faculty Members and the outside Agencies.
- 3) To organize workshops and seminars on the various IPR issues to enlighten the Faculty members, students and other stake holders (like industry partners in case of joint patent).
- 4) To frame the policy and guidelines of IPR Cell for its proper functioning.
