

Workshop on IPR on 19th May 2014

Department of Food Business Management and Entrepreneurship Development (FBM&ED) of NIFTEM, organized One-day 'Workshop on Intellectual Property Rights (IPRs)', on 19th May 2014 at NIFTEM Seminar Hall. Dr. Ajit Kumar, VC NIFTEM ;Registrar NIFTEM; Deans;HOD-FBM and other Department HODs were present at the inauguration of the Workshop.

Workshop was divided into two sessions:

1. Session I: An overview on Intellectual Property Rights.
2. Session II: Patent Filling and Drafting in India.

The Speaker for the workshop as Mr. Rahul Taneja, Scientist, Patent Information Centre, Haryana State Council for Science and Technology Panchkula, Haryana.

Total 54 participants were there in the Workshop which included students from the Phd and Mtech programs of NIFTEM. Few Faculty members also participated in the Workshop.

Mr. Rahul Taneja in his first session gave an elaborate view on IPRs in India and abroad. He gave several examples and made the participants aware about all different types of IPRs available like Patents, Copyrights, Trademarks, Tradeseecrets, Industrial Designs etc.

In the second session, Mr Raul Taneja explained the Patent Filling and drafting system in detail. NIFTEM being a Food Technology Institute, the information related to patents was actually of great benefit for the participants.

At the end Workshop Coordinator Dr. Anupama Panghal, Assistant Professor, FBM delivered vote of thanks to the participants and the speakers.

Workshop ended in good note.
