Office Order

As per approval of the Competent Authority, it was resolved that there will not be any changes in the Part-1 of the semester fees. It is the policy decision. However, only basic maintenance and utilities will be charged at the rate of Rs. 400/- per month from all students till the time the campus opens for the students after Covid-19 pandemic. The actual room rent of Rs. 1000/- per month will be charged (equivalent to Rs. 6000/- per semester) from the date the campus opens for the students.

1. The fee against the International Immersion Programme will be collected from the MBA students. If the programme can not be organized, the amount will be refunded to students.

2. The students may be allowed to complete the LMS registration process and attend the online classes without paying the semester fees initially. However, semester fee has to be paid during the period from 19.08.2020 to 18.09.2020. If the semester fee is not paid on or before 18.09.2020, registration of the student will be cancelled, and they will be allowed join the programme in next year.

The above measures of Semester Registration and Fee rebate are taken only as the relaxation during Covid-19 pandemic, and it should not be taken as the precedence in future.
