- **State Registration**

- ✓ It is for those food business operation which have annual turn over between 12 lakh to 20 crore.

- **Central Registration**

- ✓ It is for those food business which have annual turn over more than 20 crore.

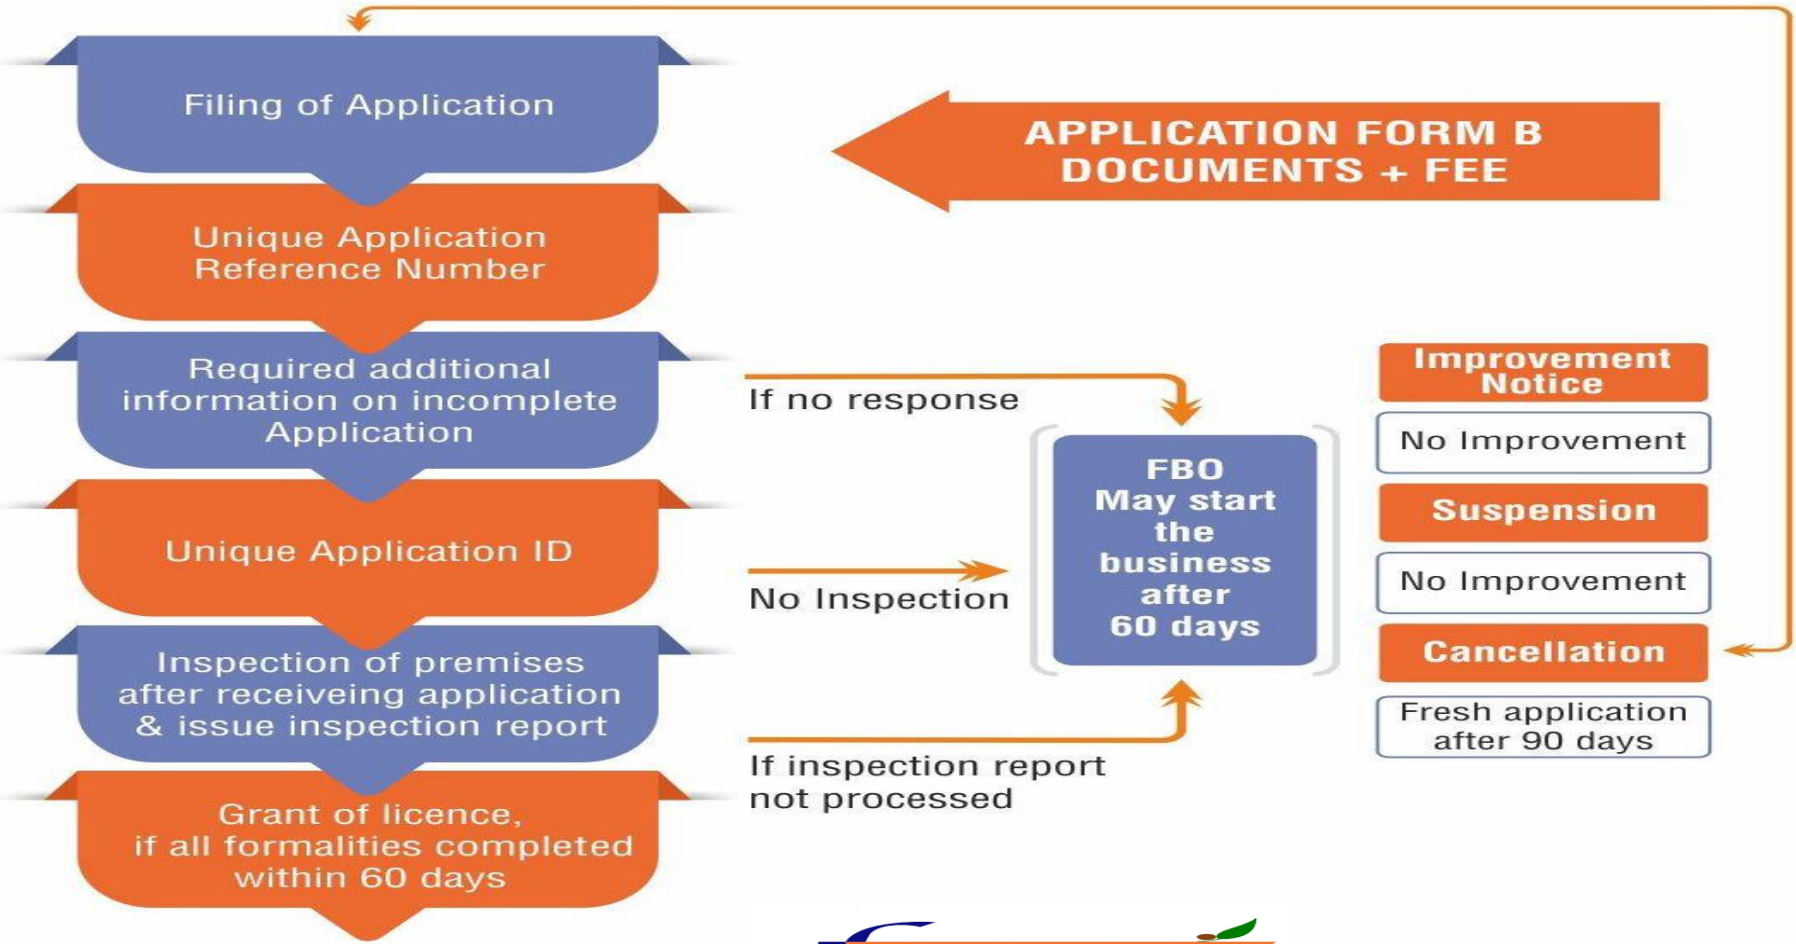

FSSAI LICENSE

- ✓ As per Section 31(1) of FSS Act, 2006 every Food Business Operator in the country is required to be licensed under the Food Safety & Standards Authority of India. The licensing and registration procedure and requirements are regulated by Food Safety & Standards (Licensing and Registration of food Business) Regulations, 2011

FSSAI LICENSE

MODIFICATION OF LICENSE

- The Food business operator are required to operate any change in the business to Food Safety Authority of India (FSSAI) within a reasonable time.
- If there are any changes related to kind of business, scale of production, products category or formulation etc. should follow the regulation
- Once the FSSAI License or Registration (FORM C) has been granted, any change required in the same requires filing application for the modification of FSSAI License or Regulation.

RENEWAL OF FSSAI LICENSE

- The FSSAI License is essential to commence the food business, similarly it is imperative to renew the license. The license is issued for a validity of 1 year or 5 Year, so the business must apply for renewal 30 days prior to the expiry of current license.
- The FLR is utilized in five regional office for the issue of licenses and entitlement. They are :
 1. North Region – New Delhi
 2. Eastern Region – Kolkata
 3. North Eastern Region – Guwahati
 4. Western Region – Mumbai and Kerala
 5. Southern Region - Chennai

REGISTRATION & LICENSE PROCESS

- Every petty Food Business Operator shall register themselves with the Registering Authority by submitting an application for registration in Form A under Schedule 2 of these Regulations along with a fee as provided in Schedule 3.
- (2) The petty food manufacturer shall follow the basic hygiene and safety requirements provided in Part I of Schedule 4 of these Regulations and provide a self attested declaration of adherence to these requirements with the application in the format provided in Annexure-1 under Schedule 2.

REGISTRATION & LICENSE PROCESS

- The Registering Authority shall consider the application and may either grant registration or reject it with reasons to be recorded in writing or issue notice for inspection, within 7 days of receipt of an application for registration.
- In the event of an inspection being ordered, the registration shall be granted by the Registering Authority after being satisfied with the safety, hygiene and sanitary conditions of the premises as contained in Part II of Schedule 4 within a period of 30 days.

REGISTRATION & LICENSE PROCESS

- The Registering Authority shall issue a registration certificate and a photo identity card, which shall be displayed at a prominent place at all times within the premises or vehicle or cart or any other place where the person carries on sale/manufacture of food in case of Petty Food Business.

FoSCoS- FSSAI

- ❖ FoSCoS- Food Safety and Compliance System is a unified application built on open source platform, with enhanced features, easily configurable and has architectural capability to meet the envisaged functionalities and modules.
- ❖ Overall objectives of FoSCoS are as follows:
 - Transform from the present FLRS which is only a licensing platform to a central food safety compliance regulatory platform.
 - Build a technically advanced integrated application to achieve interoperability with other applications, capable of higher user traffic, and has potential for future upgrades and functionalities.

FoSCoS- FSSAI

- Enhance user performance of the application and make application process simpler and efficient to promote ease of doing business amongst FBOs.
- Achieve minimal physical documentation and streamline business process flows for FBOs for online application.
- Achieve and enable the application to have standardized product approach rather than text box approach for manufacturers.
- Enable application to seed business specific details such as CIN No., PAN No. and GST No. to ensure 360o profiling and validation of FBOs.
