

Guidelines for PhD admission Interviews for the FST department for the academic session 2023-24

1. The interview for PhD admission for those candidates who qualified Research Entrance Test (RET) and students with UGC/CSIR JRF will be held from 13-14 July 2023 during 9:30am-5:30pm at NIFTEM K Campus.
2. The interview will be of 10-15 minutes. The candidate is expected to discuss the proposed research plan/possible areas/topic of research.
3. A short presentation of not more than 5-6 slides may be made by candidate to discuss research plan. Following are the instructions to prepare the slides:
 - Slide I: Educational qualification
 - Slide II: Publication details (if any)
 - Slide III: Major highlights of Master research work
 - Slide IV-VI: Proposed Research Plan for PhD
4. Candidate must include details of their publication (if any) in the slide.
5. Candidates must carry all their original documents including academic mark sheets and certificates, publications, fellowship letters and other details with them while appearing for interview.
6. Change in interview schedule will not be entertained.
