**SUMMER INTERNSHIP 2025**

Department of Food Engineering at National Institute of Food Technology Entrepreneurship and Management, Kundli (NIFTEM-K) invites applications for summer internship program for the duration of One-Three month(s).

**About Internship:**

The summer internship program aims to provide hands-on training and skill enhancement in cutting-edge food engineering domains to foster innovation, research collaboration and practical exposure to advance food processing and engineering techniques. Participants will receive training in following specialized areas:

**Research Area**

Emerging Non-thermal Technologies for Food Quality  
Hands-on Training on High-End Food Engineering Equipment  
Advance Food Packaging Technologies  
Extrusion Technology for Product Development  
Non-Destructive Techniques for Food Quality Assessment  
3D/4D Food Printing  
Solar Thermal Processing for Food Applications

**Faculty**

Dr. Anupama Singh / Dr. Nitin Kumar  
Dr. Vijay S Sharanagat / Dr. Barjinder Pal Kaur  
Dr. Anand Kishore / Dr. Nitin Kumar
