Important Instructions for arrival and timely completion of photo session

1. All participants must assemble in the queue outside the Auditorium, in the prescribed dress code, immediately after the closing of the Convocation at the above-mentioned location. Any delay may result in missing the group photograph.
2. Program-wise students will be called and must promptly take their designated positions on the platforms arranged for the photograph.
3. After completing their group photograph, students may exit the standing platforms via a route other than the arrival route.
4. Group photography details will also be announced in the Auditorium during the Convocation Ceremony. Students are required to follow the announcements and proceed accordingly. Any changes based on administrative requirements will be announced in the Auditorium only. All participating students are requested to communicate the photography session details to other members of their respective groups to ensure timely completion.
